Virtual U3A at Faculty of Science OU

- We offer face-to-face courses, blended courses and distance courses.
- 5-8 semestral courses per each semester. This semester: ICT for seniors, Digital technology, English, 1000 years of medieval art, Aristocracy ceremonials in 19 and 20 century, SMART technology for improvement of life quality in cities).
- Now we have about 200 seniors involved in the courses.
- We follow 4 pillars: social inclusion, SMART technology, intergeneration dialogue, active approach of seniors.
- Now, during covid-19 time, we did not cancel any course. All courses are taught on-line. We use Moodle.
- Seniors help seniors and people on risk (Asylum houses, social care, etc).

We make affords for seniors to be

- Informed
- Active
- Prepared to help others
- Able to use SMART technology
- Part of the society
- Independent
- Self-confident

Part of our courses are excursions – outdoor teaching
