

## **Conclusions:**

- 1. The coordinator thanks to all participants of the blended mobility both seniors and staff. Special thanks to AMBESP and RUTIS for professional managing of the blended mobility. Thanks to the representatives of municipalities, RUTIS organisation, statutory persons.**
- 2. All partners will send to OU the names of courses for on-line piloting (new courses or existing – but renamed). Provide us with the name of seniors (teacher) in these courses. Provide us with new seniors who will be in the courses to create accounts for them (name, surname, e-mail). Deadline 15.10.2019**
- 3. Dissemination**

**All the partners will check the activities stated on the project website <http://projekty.osu.cz/isev/> and Google disk. Those activities which are on Google disk but are not listed on the project website and the partners wish to display them on the website, state the relationship of the given activity with the project to the column “commentary”.**
- 4. All partners will fill in the final questionnaires with seniors and students (link was sent by FMD in e-mail). Deadline 30.10.2019**

- 5. FMD will evaluate these questionnaires and prepare a report. This report will be sent to all partners. Deadline 30.12.2019.**
- 6. FMD must send the boarding passes from the return journey of all participants (seniors and staff) after the mobility ends, by 5.10.2019 at the latest.**
- 7. FMD+AMBESP must provide invoices for exceptional costs – video lessons and translations, including a confirmation of the bank transfer (see the presentation attached).**
- 8. Progress report**

**The deadline to submit the progress report to the system Mobility tool is 6.12.2019. For this reason, all the partners have to submit documents by e-mail by 15.11.2019:**

  - a. Invoices**
  - b. Timesheets for the period 11/2018-10/2019 (FMD 8/2018-10/2019!)**
