 - IO2 – Methodology: we will not have meeting about it. We have arrange all things through e-mails. **There is a little risk!!!**
- Meeting in Italy – February 2019
 - Agenda mainly about second part of IO3 – piloting courses and about preparation of Blended Mobility
- Meeting in Portugal – together with Blended Mobility
 - Agenda mainly about on-line pilot and evaluation of Blended Mobility
- Final meeting – April 2020 – virtual meeting through skype (is it possible?)
 - Agenda mainly about evaluation and dissemination

Project meetings

All face-to-face meetings suppose 3 people from each partner institution (you have money for this).

In case you do not draw this money (less people take part in project meetings) money will be used for seniors with special needs.

Portuguese seniors have priority! Because of the fact they do not have grant for Blended Mobility (mobility is organized in their country).

Blended Mobility

- In Portugal. **Can you provide us with exact place???**
- September 2019.
- 5 seniors from each institution for (20).
- 3 people from project team from each institution (12).
- Duration 7 days.
- Only CR and Italy – seniors have grant, Portuguese seniors do not have any grant.
- We can only support disabled seniors (physician confirmation about special need is required).
- More details - detailed agenda - will be discuss in Italy.
