The publication is an output of ECOP (Education for Competitiveness Operational Programme) project named *The Support of Tertiary Education of Students with Special Educational Needs at the University of Ostrava*. Registration number: CZ.1.07/2.2.00/29.0006

The publication was approved by the scientific editors of Faculty of Education of the University of Ostrava.

Abstract: *The book deals with some chosen questions related to the school education of Roma children and pupils, who are socially excluded in the Czech Republic. The main key factors of education are presented: educational process, teachers, subjects (courses), parents. The book brings the description of the current situation of their education, especially in the context of special education. Selected research results are presented as well.*

Key words: *education, school, Roma pupils, Roma parents, Czech Republic, social exclusion, special pedagogy, teacher, current situation, research results.*
